Sir,

Sub:- Award of Scholarships to Refuges Students.
Ref:- Your No.RR-5(1) dated 23-12-1947.

I am to state that instructions for the admission of students from Pakistan into recognised educational institutions in this Province have already been issued; and that so far no cases of ~~scholarships~~ hardship have come to notice.

2. As regards throwing open the existing scholarships ineducational institutions in this Province to refugee students also, I am to say that the number of scholarships available is already disproportionately small with reference to the large number of qualified applicants of the Province, and that therefore it is not possible to accept the suggestion; I am to request in this connection that the full fee and other concessions granted to regugee students in the 9th and 19th classes in paragraph 5 of your letter No.F.162/48 R & R dated 8-1-48 may be extended to refugee pupils studying in lower classes also. I am to request the favour of an early reply.

E. & P. H. Dept. (A)

The file deals with the question of throwing open scholarships and fee concessions tenable in educational institutions in this Province to refugee students also. The Government of India were informed last year that the number of scholarships available was already disproportionately small with reference to the large number of qualified applicants of this Province; and that therefore it would not be possible to accept the suggestion with reference to the letter of the Govt. of India on p.1 c.f., it is now proposed to adhere to that position and to take up the same position in regard to fee concessions also. The same position is proposed to be taken up in regard to medical institutions, Polytechnics, Veterinary and Agricultural Colleges. The file may now be circulated to H.H.(E.&L), H.M.(P.W.), H.M.(P.H.), H.M.(agri.) and H.M.(Indus.) for orders whether the Government of India may be informed accordingly.
